

## **Key Tip!**

## **Effective sponsorship**

- + effective co-leads
- = high-performing UBTs!

## **Summing it Up: UBT Success Factors**

As a sponsor and leader of UBTs, you should know the critical success factors for teams. The more of the following you can ensure are present, the more likely your teams will become high performing and make a significant difference in patient care and the workplace experience at Kaiser Permanente.

** Actively engaged in team activities  ** Respected  ** Skilled enough in group dynamics to get real participation  ** Held accountable for results  ** Take responsibility to follow through  ** Model the behaviors expected of team members  ** Facilitators coach the team and provide just-in-time training, as needed  ** Leaders help teams perform small tests of change, conduct huddles and solve problems  ** Performance data is available at the UBT level  ** Results are easily seen and shared with others
Co-Leads Provide Strong Leadership to the Team  > Skilled enough in group dynamics to get real participation  > Held accountable for results  > Take responsibility to follow through  > Model the behaviors expected of team members  > Facilitators coach the team and provide just-in-time training, as needed  > Leaders help teams perform small tests of change, conduct huddles and solve problems  > Performance data is available at the UBT level
Leadership to the Team
